Business Education Council

Linking Business and Education

BEC Goals

Help youth to improve their awareness of the working world, the importance of skills and attitudes learned in school, and how they will be applied in the workplace.

- Develop a world class labor force that meets the needs of employers.
- Support and facilitate workforce preparation programs that will bring the workplace to the classroom.
- Influence curriculum development to meet employer requirements.
- Act as a liaison to connect the business and educational communities.
- For More Information Contact:

nationalgrid
 HERE WITH YOU. HERE FOR YOU.

Camp location and work project description:

Letchworth State Parks. At Silver Lake

4229 W Lake Road
 Castile, NY 14427

Parks, Recreation
 and Historic Preservation

Date: July 16 -20 Time:8:30 am-3:30 pm

Project:

Construct a 20' x 20' public picnic shelter.

Skills and knowledge students will gain:

- Reading and interpreting design plans
- Math to measure & cut materials
- Team work & Communication skills
- Building self-esteem by completing a great project

Building Trades Camp Instructors:

Rich Monroe and Jared Radesi are the Building Trades certified instructors at the Batavia BOCES campus. Prior to working at BOCES, Rich and Jared worked as building contractors. Their combined professional experience and passion for the building trades and students has enabled us to offer this experience for the 5th year. We are excited to have them leading our program as they teach valuable life long skills.
